

SOLUTION PARTNER

Key2Flex™ becomes the FIRST and only(1) Adobe® Flex Solution Partner in the Philippines

Makati City, 8 August 2009. **Key2Flex™ becomes the FIRST and only(1) Adobe® Flex Solution Partner in the Philippines.**

Key2Flex, leading business applications development studio, has become the first and only Philippines-based Adobe Solution Partner.

As an Adobe Solution Partner, Key2Flex leverages the power of Adobe's product suites. Through its collaboration with Adobe Systems, Key2Flex will maximize its know-how and expertise with access to Adobe's developers, bringing together the flexibility, productivity and reliability of Flex technology.

Key2Flex's business solutions can bring close-to-real time responses, throughout the World, by the combination of Adobe Flex technology and innovative communication protocols such as BlazeDS. With the support of Adobe, Key2Flex development team will further its best practice standards, and offer a competitive edge to its clients.

(1) As of August 8, 2009, per Adobe Partner Finder, Public Directory available at www.adobe.com.
